

China

21 factories trained
24 certificates awarded

India

12 factories trained
18 certificates awarded

Turkey

13 factories trained
13 certificates awarded

Participants value the EMPact training programme as their feedback shows...

„Getting in contact with people from different parties and discuss different topics was easier and more productive than I thought.“
Quality Control - India

„It was an effective and satisfying program in many ways, I enjoyed being in the program, especially the interactive sessions“
Factory Manager- Turkey

„The training provides a very good support for the improvement in social management“
Quality Control - China

„It is great to get to know factories from the same industry or different sectors and discuss experiences they made during all those years of factory management.“
Factory Manager - China

“I enjoyed the practical orientation of the workshops, especially the risk assessment of the hotel, which created awareness of health and safety issues” Factory Manager - India
