OG2GO

Your Features

The OG2GO app is the Group's central mobile platform and offers you numerous features and options: Find out about the latest news from the various Group companies every day in your personalized newsfeed and share your opinion by liking & commenting.

In the daily media review you can follow the media coverage of the Otto Group. Search for colleagues across the Group by name or skill and share your knowledge - you can contact them directly from the app via chat, email or phone.

Download the OG2GO app now and give it a try!

 For iPhone-User:

MIKO @ OTTO
Register to take advantage of the employee discount on otto.de if you haven't used a staff purchase account by 8/21/2023.
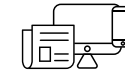

OG2GO METER
Use the data protection-compliant live voting tool OG2GO Meter for opinion polls, votes and mood pictures during larger events and in small team meetings. Design your survey with images and visualize the results according to your wishes. Participation is easy via QR code in the browser.

CAMPUS
Explore the interactive campus map and learn more about the Otto Group Campus by clicking on the glancing markers. Move around the campus and your live location will show you at a glance which building you are currently heading towards.

MEDIA REVIEW
The daily media review with press reports is published every morning. Have the entire article or a compact summary read out to you with just one click to stay informed on the go.

Share media reports with your colleagues or discuss them in the comments. If you are looking for a specific article, you can search the media articles of the last 30 days by keyword.

EVENT APP
Use the event app for your event to digitally display relevant information such as the agenda and an overview of participants in one place. During the event, a community area is available for participants to share impressions and photos. Would you like to use the OG2GO Event App for your event? Then contact us with the most important event details

PERSONALKAUF INFO
General information on purchasing personnel, a list of all participating group companies and relevant information on data processing can be found in this micro app.

COFFEE ROULETTE
Exchange ideas with colleagues from other departments and companies. Arrange to meet up for a coffee break, lunch or an after-work drink - whether digitally or in person. Coffee Roulette takes place on the first Thursday of every month.
